7.1.5 Green campus initiatives include:

a) PLASTIC FREE CAMPUS

Saplings instead of flower bouquets are given to guests. Usage of jute bags and cloth bags instead of plastic bags. Plastic water bottles are avoided during all institutional programmes. Usage of steel water bottles by the teaching and non-teaching staff is made compulsory.

b) PAPERLESS OFFICE

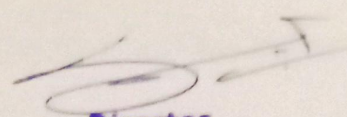

Intercom, mail, WhatsApp, SMS have been used for communicating circulars and notices to the Teaching and non-teaching staff. Students are encouraged to email assignment and presentations and teaching material is forwarded to students by teachers through WhatsApp. Practice of reusing of one side printed paper. The space of Institute library is updated with syllabus and question paper records for student use at all times.

Notice to students are announced on intercom and supplemented with what's app messages and Emails.

c) GREEN LANDSCAPING

As Our campus is surrounded with hills covered with over 80% of greenery. Several medicinal saplings, flowering plants, trees, lawn and flower pots add to the greenery in the campus. The campus garden is well maintained and new additions are made annually. The management has appointed a gardener and takes responsibility for garden décor. Environment related signages have been displayed in campus. To encourage green initiative several program are conducted annually through which new saplings and plants are planted in the campus and also distributed to staff and students.
